

Kevin Wilcock AIA
LEED AP
Principal

Kevin Wilcock joined David Baker Architects in 1996 and was made Principal of the firm in 2001. He has more than 28 years of design, construction, and management experience in a spectrum of projects. These range from commercial buildings and restaurant facilities to affordable and market-rate multi-unit housing and custom residences. Kevin has been responsible for all aspects of professional practice, including design, preparation of construction documents and specifications, project management, and administration of new and remedial construction.
